#### AUCTIONEER'S REPORT (Will Alexander):-

Trade a little easier on the week as calves start to come forward in bigger numbers. The best Continentals £370-£430 with Phillip Mason's Limousin Heifer reaching £480 and Stephen Robinson's Blue Heifer at £435. A similar story with the Black and Whites, the strongest rearers still £120-£140, a younger sample of calves this week with the average reflecting this. Plenty of buyers ringside for all classes of calves with more needed to meet the demand.

#### AUCTIONEER'S REPORT (Greg MacDougall):-

A better trade than what could have been expected with all customers in attendance keen for Lambs. As a result an overall average of 212.3pkg (SQQ 215.8p) was achieved. Lambs 40kg+ and heavy types certainly the best to sell with lighter weights with meat good to sell and those lacking in condition easier. Commercial export Lambs 210p-220p with plainer or common types 190p-200p. Best bred Lambs 230p-270p topping at 281.7p or £115.50 from M P & N E G Burnop. A marvelous run of 150 Beltex x Lambs from D Kemp, Co Durham sold to average 244p for a 36kg average topping at £96. Heavy Lambs £95-£110 topping at £115 for Texels from Ken Polkinghorne. More Mule Lambs forward again this week averaging 181.9p topping at £86 from F A Nowell, or 202.8p from C Huddleston. Horned types to £74.50 or 186.3p from C M Cooper. Lightweights averaging 200 with better bred sorts 220p-230p topping at 233.8p or £79.50 from M Charnley of Settle.
