**DIRECTOR PROFILE**

**DAVID LAWSON**

Recently appointed as Auction Director

David farms at Oak Bank, Bentham with his wife Val and son Andrew. He also has a daughter Helen who is a trainee hairdresser.

Together they farm 300 acres, keeping 250 cattle, of which 80 are the dairy herd "selling" milk to Dairy Farmers Of Britain. Calves are all reared either as dairy replacements or stores. They also farm 380 sheep of which 100 are Mules and 280 Swaledale. The Mules are crossed with the Suffolk Ram and the prime lambs sold at Bentham Auction Mart. 80 Swaledales are bred pure for the flock replacements and the remainder are crossed with the Blue Faced Leicester Ram. The Mule Gimmer lambs are sold at Bentham Auction Mart in September.

David has been coming to Bentham Auction Mart since he was a boy and he worked here part time when he left school for about 16 years. Having met many farmers and made many friends over the years, he feels it is a great honour to be asked to be a Director of an auction he believes is going from strength to strength.
