RICHARD TURNER 1925-2008

Mr Richard Turner Senior died at home on Sunday 15th June aged 83. The Directors and staff of the Auction Mart would like to pay tribute to the enormous contribution made by him over a considerable number of years.

Having been educated at King Williams College on the Isle Of Man his auctioneering career began in 1941 when he joined his father in the family firm of Richard Turner & Son, established in 1803 by his great, great grandfather. By 1948 Mr Turner was a partner in the family business and responsible for managing the Auction Mart at Bentham. He was also a Director of the market until he retired and was succeeded by his own son Richard. From 1965 until his death he was a committee member of the Livestock Auctioneers Association where his wealth of experience and knowledge was greatly valued by all in the industry.

Mr Turner's death is a huge loss to the farming community where his influence was not merely restricted to the Bentham area but was in evidence throughout the North of England. Whilst his passing is a great loss to the local community a greater loss is felt by his immediate family to whom the Directors and Staff of Bentham Auction Mart wish to pass their sincere condolences. The funeral will be held on Tuesday 24th June at 11am at St Margarets Church, Bentham.

AUCTIONEERS COMMENT: On a week when trade for lambs was sliding 15 sheep buyers attended the evening sale which resulted in an overall average for lambs of a respectable 160p/kg. Presumably trade earlier in the day was somewhat worse which may explain the black eye sported by one of our regular sheep buyers! !
