NEW RECORDS AT BENTHAM

The Bentham July Cattle Fair included the Dispersal Sale of their entire suckler herd for H Morphet & Son, following the death of the late Henry Morphet. 37 cows (of all ages) & heifers with calves averaged £1290 per outfit and sold to a top of £2,020 for a cracking ¾ bred Limousin Cow with a Show Potential Belgian Blue Heifer Calf, selling to JH & SM Mason, Keasden Head, Clapham. The 12 In Calf Cows sold to a top of £1,000 to Newhouse Bros, Stackhouse Farm, Settle and averaged £790.

9-11 month old Belgian Blue Feeding Bulls met a strong trade, topping at £7 0 and averaging £660. Heifers of the same age reached £670 twice to G Foster, Tarleton and the 1 of them averaged £595.

The real show stopper was the Pedigree Belgian Blue Stock Bull, 'Tamhorn Venture'. A 5 year old son of Royal Show & Royal Highland Show Champion 'Tamhorn Oriana'. Who herself was sired by 'Cristal de Somme', a past Champion of the Brussels Show. 'Tamhorn Venture' was purchased in 2005 as a 2 year old for 5,000 gns. Now a proven stock getter, putting his quality stamp on all youngstock present at the Sale. He smashed the Bentham Mart record price for a Breeding Bull making £7,000 to JE & M Frankland & Sons, New Hall Farm, Rathmell.

On Wednesday new Dairy records were achieved with David Barton of Lupton Hall realising the tremendous price of £2,550 to Alan Swales of Joylan Farms. The Morning Dairy Sale provided a bumper entry of 38, with 18 of the cattle forward realising £2,000+.

AUCTIONEERS COMMENT (Russell Steer):-

A larger number of calves forward met a very strong trade. With shapely British Blue's making the best money, 7 of them were over £3 0 with a top price of £360 for a 6 week old British Blue Bull from K&A Duncan and selling to SJ&J Hodgson, Ulverston.
 There were 10 B&W Bulls of mixed quality on offer. J Bargh & Son, Heaton with Oxcliffe sold 2 well reared 3 month old B&W Bulls for £170 per head. The younger month old calves with a bit of flesh were around the £70-£75 mark for better sorts. With the plainer ones upsetting the average & probably be better on the Calf Export Scheme. Demonstrating the need to use both Calf Marketing options available at Bentham.
