OPENING CATALOGUED SALE
OF STORE LAMBS approx 2000

Customers have for sometime asked why specialist sales of store
lambs are not a feature in our sales programme. Bearing in mind the
enormous amount of contacts in the sheep industry we have made
through the strength of our Wednesday night sale, not only in the
northern region but throughout the whole country, this shall be our
opening sale. We are confident that the introduction of specialist
Store Lamb sales will be a success and complement our Wednesday
night sales.

AUCTIONEERS COMMENT (Russell Steer)

With less numbers forward due to the fine weather,
trade was a little easier than the flyers of past weeks.
Top price was £230.00 for a strong Limousin x Bull in
from RR&JA Knowles, Myers. Belgian Blues topped at
£220.00 for a shapely heifer sold by S & P Parker,
Bentham, with a lot of fortnight to a month old
continental calves around the £200.00 mark.
