STORE LAMBS - 1075 FORWARD

Ctl	£41.00	£34.04	R Schofield, Tosside
Suf	£42.00	£35.91	M&C Booth, Kentmere
Mule	£37.50	£31.91	D&LA Pennington, Chipping
Hrd	£23.50	£20.51	R Blenkarn, Kendal

The 1075 lambs forward sold to a complete clearance with a top price of £42.00 twice for M&C Booth's pen of 36 and WM&E Dugdale's pen of 51, both lots being Suffx and selling to Mr W S Burrows of Gilbralter Farm. Many of the Suffolks and Texels on offer made around £40 and long term keep lambs were in the mid to high £30's. Horned lambs peaked to £23.50 from R Blenkarn of Kendal that later travelled down to Tavistock, Devon to purchaser Mr Vanstone - one of the 3 buyers up from Devon for the sale.

With a great deal of buyer interest and a nationwide customer base for store lambs at Bentham we're confident the next sale scheduled for Tuesday 2nd Sept will be equally as successful.

BLUETONGUE

The whole of Yorkshire and Lancashire is now included in the Blue Tongue Protection Zone. We strongly urge vendors from Cumbria to continue to forward their stock at Bentham as we are confident that full market values will continue to be realised. Whilst Cumbrian farmers for the time being cannot buy we view this as a case of a small door temporarily closing but a larger door (ie the rest of the country) being left wide open for business. If you have any concerns please do not hesitate to contact one of our auctioneers. DEFRA are hopeful that the Cumbrian area will be included in the Protection zone at the end of the month.
