Auctioneers Comment - Russell Steer: Another strong show of calves following last week's large entry sold away well to a top of £320.00 - three times. Once for a shapely calf from S P Parker, Hardacre and twice for a pair of crackers in from Carol Parker, Reebys, all selling to regular "buyer of the best" Colin Baxter, Throstle Nest. The stronger older Blues and Lim's were making a premium with 16 of the 18 forward making £250.00 plus. Black and Whites topped at £50.00 regularly for month old fleshy sorts.

Note: Entries next week include 7 Lim x Fr Weaned Hfr Calves 10 weeks old ideal for suckler replacements

Auctioneers Report (Stephen Dennis & Russell Steer): There was a real buzz around the ring throughout the evening and an excellent trade for all breeds and ages of Rams. Suffolk Rams were again keenly sought after and an excellent consignment from Mick Bulmer of East Yorkshire led the way topping at £510.00 for a superb shearling. Continental Rams were also in good demand and strong interest was shown in the Cheviot breed, which topped at £400.00 for a shearling from John Mellin, Hellifield. Blue Faced Leicester Rams were in better demand than anticipated with good demand for shearling and older rams throughout. A surprise late entry from Gordon Rawsthorne created further interest and a shearling from that consignment secured the top bid of £2300.00 from J Bradley from Harrogate.
