AUCTIONEERS REPORT (Russell Steer):-

The overall quality of calves this week failed to reach the exceptional standard of previous weeks, a fact which was reflected in the average price. That said, the top price was the highest seen for some weeks, £385 for a cracking BB Bull from Ken Polkinghorne. B&W's were a similar story, with Max Burrow of Whinyeats topping the section with an 8 week old Bull making £155
