**AUCTIONEERS REPORT (Russell Steer):-** The biggest show of calves seen for many years sold to a buoyant trade throughout. The 124 calves forward were all keenly sought after by a packed ring of buyers. 12 calves exceeded £300 and topped at £380 for a tremendous British Blue Bull from Alec Lambert, Field Gate selling to Colin Baxter on his first week back after 13 weeks of absence. B&Ws were a similar trade to last week, topping at £130 for a well fleshy, well reared calf from Robin Boothman. Purchasers of B&Ws to rear are still wanting calves with a bit of age and strength.
