B+W Hfirs £2040.00 £1759.29 N&CM Barker, Carnforth

AUCTIONEERS REPORT (Stephen Dennis):- A larger entry of Dairy Cattle forward with some fine heifers on offer. A good ringside of buyers meant there was a solid trade throughout although the best cattle were stopping on or around the £2000 mark. Top price again for Nigel Barker for an excellent heifer giving 34 litres bought by Tony Hunter. James Huddleston sold a super 'Shottle' heifer for £2000 and the same price given for a very well made 34 litre heifer for Messrs A&E Barnes of Bracken Fold also selling to Tony Hunter.

MORNING SALE

REARING CALVES

AUCTIONEERS REPORT (Russell Steer):- With calf numbers dwindling at other local sales centres it's pleasing to see our numbers staying strong and drawing fresh buyers and vendors from out of the area. A total of 81 calves sold to 20 different buyers with prices for Continental calves as dear as we've seen this year. Will Long Old Hall Farm Ulverston topped the sale with Lim x Bull calf making £372 to Danny Coates Caldervale the same vendor had another two over £340. Stronger B&W's were still sought after with 8 over £100 and many in the £80's + £90's. The price paid for slaughter calves has eased to around £50-£60 with only a handful less than that.

British Blue x Heifers out of Dairy Cows were also on fire with nothing less than £500. B&W Bulls & Blks were a similar trade to last month with buyers favouring larger bunches.
