AUCTIONEERS REPORT (Russell Steer):- The 55 calves on offer were a fantastic trade. Continentals looked very dear throughout, topping at £358 for a BB Bull from Henry Stephenson, Barnfield. This trade was helped by a few suckler breeders seeking foster calves. B&Ws were back up to a fantastic trade topping at £170 and regularly £140-£160, with a great overall average of £93.30. Many more calves needed to satisfy the copious number of buyers forward.

ORDERING EAR TAGS!!!!!!!

Please remember that for all Lambs intended for slaughter/further feeding the LAA are recommending the use of EID Slaughter Tags to ensure the widest possible marketing options. The use of non-electronic tags will lead to complications in the marketing system. All lambs intended for breeding will obviously require full EID identification.
