AUCTIONEERS REPORT (Russell Steer):- Strong demand for hogs as numbers tighten nationwide resulted in an outstanding trade throughout all classes for Hogs. Many Continental Hogs got into 3 figures with the majority of 40kg+ hogs around the £90 mark. By far the dearest hogs on the night were the lightweight horned hogs, with several over 200p/kg, this helped to achieve a remarkable overall average for all categories of Hogs of 205p/kg.
