STIRK REPORT

AUCTIONEERS REPORT (Russell Steer):- A fantastic entry of 219 Stirks sold to a packed ring of eager buyers from as far away as Suffolk, the Midlands & Scarborough. A special entry from Graham Stephenson saw fierce bidding for his BB Blks in particular. They peaked at £685 for a pen of 4 10-12mo and his 15 averaged £625. Heifers were a strong trade too, with many going for breeding. Black & White's Bulls & Bullocks were both keenly sought after, with very little less than £250 and stronger cattle on the mid £400's.

AUCTIONEERS REPORT (Russell Steer):- Crossbred calves were on fire this week, topping at £445 for a ready to wean BB Bull from JW&TE Sharp, Flodder Hall, who had two others at £420 + £415 respectively. Most Blues, Bulls + Heifers alike were over £300 and second quality calves also looked particularly dear. Dairy Bred calves were variable, but on the whole a good trade. Better calves were £150+ to a top of £185 from C Birkett, Hodgsons Croft for a great 5 week old calf. Considering half a dozen killing calves averaged £20, the overall B&W average is very respectable.
