AUCTIONEERS REPORT (Russell Steer):- A larger show of calves than expected sold to a very buoyant trade. All classes of calves were dearer than we've seen for some weeks. Top price was £460 for a weaned BB Bull from JS&KM Wilson, who also sold the top price heifer, again a BB making £375 with another at £370. Even though there were a lot of stronger calves forward, the younger ones still looked dear, John Lawson, Barnfield sold 3 BB heifers, not yet a month old to average £300. Leading prices for B+W's were £175 x 2, £170, £165 x 2 & £158 with the majority of better calved over £100.
