AUCTIONEERS REPORT (Russell Steer):- In contrast to last week when second quality calves looked the dearest, this week saw B&Ws and second quality goods back in line with the levelling trade. A handful of calves topped £3, with the majority of Continental cross Bulls and Heifers in the late £2's. B&Ws as mentioned, were harder to sell with a handful of cracking calves around the £1 mark, with common calves £5 -£8.
