**1st PRIZE HEIFER WITH CALF AT FOOT
FROM J WOODBURN & PTNRS, ULVERSTON**

AUCTIONEERS REPORT (Stephen Dennis):- A packed ringside of buyers attended the Annual June Cattle Fair and a large entry of Breeding Cattle with Calves were a solid trade and a virtual total clearance. Quality outfits were all achieving prices in excess of £1500. Stephen Booth's entry of outstanding homebred Hereford x Hfrs with Hereford Calves again attracted much interest. Breeding Bulls ready for work were all good to sell with Tom Sedgwick's 'Gallaber Dynamic' achieving the top price of £3000 to Andrew Brown, Asby Hall, closely followed by Elaine Priestley's 'Prietec Dominator' selling for £2300 to Mr Copeland, Drifffield.

AUCTIONEERS REPORT (Russell Steer):- On the whole, a dearer trade in the calf ring this week, with Continentals slightly dearer than last week. The market for B+W calves is changing every week, with younger fresher calves looking particularly well sold. LM Harrison & Son, Dolphinholme sold 4 British Friesian sorts just over a month old, to average £108, and older calves fit to wean struggled to top that. Half a dozen killing calves around the £25 mark, upset the overall B+W average.
