**AUCTIONEERS REPORT (Russell Steer):-** With a certain pressure to live up to the trade Stephen had in my absence last week, I have to concede, but after hearing about the outstanding quality of calves on offer, and the abundance of buyers (organised by the usual Calf Auctioneer as a safety net!) perhaps the credit should be shared. Honours even!

On to this week, and there was nothing wrong with the trade at all. Top price £388 for a BB Bull from JW&TE Sharp, Flodder Hall, followed closely by MW Hodgson, Swallowmire with two of the same at £355 & £350 all purchased by C Baxter, Throstle Nest. B&W calves looked similar to past weeks with smaller, plainer calves a touch dearer. Top price was £142 achieved by a 10 week old Holstein from M&D Stable, Bolton Manor, that went home with RP Watson, Roosecote.

**AUCTIONEERS REPORT (Russell Steer):-** A massive show of ewes made for a slightly easier trade and a long night! Big numbers forward nationally meant prices were just a pound or two less than previous weeks, but still a good price none the less.

**NOTE:- PRIME LAMB SALE WILL COMMENCE NO LATER THAN 6.45pm. ANY UNSOLD EWES WILL BE RELEGATED TO THE END OF THE SALE.**

Suff	£1.64	D Cockett, Ingleton
Mule	£1.46	B&SE Carter, Ellel
Mash	£1.45	WJ Longton, Carnforth

**AUCTIONEERS REPORT (Stephen Dennis):-** A full attendance of buyers and a much brisker trade than expected on the week. AN overall average for Prime Lambs of 154p/kg for all classes being dearer than most other centres. A smaller entry of lightweight lambs meant these were dearer on the week.
