Top price for females were the first three in the ring, a pen of Texel x Beltex Ewes from Robert Lawson, that sold to Martin Atkinson, Richmond for £290. Mule Ewes were also sought after, achieving an overall average of £91. Tups were also good to sell, and were a complete clearance.

AUCTIONEER'S REPORT (Russell Steer):- A Flekvieh Bull at £335 topped this week's sale of calves; it was a great shaped calf out of a Montbeliarde Cow from Brian Barnes, Hawkin Hall that sold to John Townson. On the whole calves were just slightly easier with all classes of dairy bulls noticeably less money. A nationwide abundance of killing calves has brought the price of the bottom enders down, and the predicted rise in the cost of barley & straw has meant bull beef rearers are not as keen for calves as they were before.

AUCTIONEER'S REPORT (Russell Steer):- Another strong trade for cast sheep, this week fuelled by the tightening of numbers. A good number of great crossbred ewes reaching three figures with the best mules around the £80 mark. Horned ewes were sought after too, with the best sorts in the £60's and plainer types in the £20's & £30's. More sheep needed to satisfy demand.

NOTE:- PRIME LAMB SALE WILL COMMENCE NO LATER THAN 6.45pm. ANY UNSOLD EWES WILL BE RELEGATED TO THE END OF THE SALE.
